

I love my XM radio! Don't try to regulate what I pay for. I still listen to regular radio but when it doesn't have anything I wish to listen to, I listen to my XM radio. I pay for it and you can not tell me what I can and can not do with my money!!! We use our XM when we go on vacation for traffic and weather reports. It is very helpful. Keep out of my house and my car. There are other things that congress needs to worry about. STAY OUT!!! LEAVE XM ALONE!!
